Samuel E. Clopper (B.S. Towson State; M.Ed., Johns Hopkins; principal)

The Administration proved once again that they were capable of handling the complexities of running CHS.

Mr. Clopper, armed with a steady head and nerves of steel, succeeded in maintaining order throughout a year unlike all others. In the course of the year he confronted such matters as the CHS accreditation evaluation, a time schedule change, and a confrontation with seniors disturbed over the site of graduation.

CHS was graced with the appointment of three assistant principals, each charged with the administration of one grade. Mr. Ferruso, a CHS veteran, maintained discipline in the Senior class as did Mr. Aycock, a newcomer to CHS in the Junior class. Mr. Shannon, a transplant from CJHS guided the sophomores along the path of maturing into high school life and was also instrumental in holding up the wall near the front entrance.

Mrs. Neugent, the administrative aide, managed to satisfy everyone who wished to use the building's facilities as well as keeping accurate records of attendance.

For another year the unsung heroes of the office, Mrs. Bayley (secretary to Mr. Clopper and financial secretary) and Mrs. Tolzman (secretary to Mr. Aycock, Mr. Shannon, and Mr. Ferruso), successfully overcame the mountains of paperwork needed to keep the school functioning.

Susan Bayley (secretary to Mr. Clopper; financial secretary).

Margaret K. Tolzman (Secretary-main office).

Carole Dickler diligently schedules Guidance appointments.

Lois Jones (Institute of Modern Business, Chicago; Guidance Office Secretary; Guidance Aides).

Regis J. Cunningham (B.A., Duquesne Univ; M.Ed., Univ. of Md.; Guidance Counselor 10-12).

From the background of cigar seller, Industrial Arts teacher, Physical Education teacher, and English teacher, developed four counselors who were genuinely interested in students and in helping them work out any problems. These problems ranged from family disagreements to getting enough credits to graduate. Help was also given to students exploring courses and having trouble deciding what would be most beneficial to them.

Students are going in many different directions now, more so than a few years ago. The Guidance Department proved helpful to students by showing the pros and cons of going to college.

The department scheduled numerous visits from college representatives so that students could become more aware of the colleges' requirements and the courses offered.

Through a monthly newsletter, Guidance tried to inform students of testing dates, such as the PSAT in October and the SAT in April. Also included were graduation requirements and the dates of college visitations. Despite this effort by the Guidance Department, students remained uninformed. Mr. Opalski would like to see a spotlight in the ceiling for the showcase with flashing lights on the sides so that students would see this information and take notice.

Emma P. Deas (B.A., Univ. of Md. Eastern Shore; M.Ed., Univ. of Md.; Guidance Counselor 10; Neighborhood Youth Corp. Program Coordinator).

# “... and gladly teche.”

*The Graduate* and *Tom Jones* were a few of the movies shown as a part of the new curriculum for the seniors. Seniors chose one of five different study patterns that progressively increased in difficulty, each consisting of five to eight units. The wide selection allowed students to get their English credit according to their individual interests and needs.

The units were staggered in the junior English courses, making more materials available.

In the sophomore program all units were divided between major and “mini” units. The teaching emphasis was placed in major units; and “mini” units provided for flexibility in individual interests.

The English Department conducted a local workshop during the summer of '73, concentrating on combining ethnic African and Black American literature into major units in all grade levels. New English electives were Speech II, Review and Creative Composition, and Stagecraft.

All courses were readily sought after, and successfully met expectations.

Harry Graybill (B.S., Manchester College; M.Ed., Western Md. College; M.S., Ill. Institute of Technology; Exploring for Man's Buried Past 11,12; Issues in Social Justice: Crime 11,12; Elections Committee Advisor).

The Social Studies department continued to grow in scope, size, and popularity this year. As chairman of the department, Mr. Graybill, along with the other Social Studies teachers worked diligently to provide students with the subjects they desired. The results of their efforts proved fruitful when two entirely new electives were added to the curriculum this year. One of the new electives was entitled "Africa," taught by Mr. Sharp. The other elective, "Politics and Political Science," was tackled by Mrs. Henderson. These two electives, along with the various others, drew many students, and classes were filled to their capacity.

The sophomores studied world cultures and religions, while juniors partook in an indepth study of American History. Since Social Studies was not required for seniors, they had the opportunity to participate in the numerous semester courses offered by the department.

Stouffer (B.A., Park College; M.Ed., Univ. of Md.; U.S. History; TABCO committee).

# Current affairs intensifies interest.

El departamento de las lenguas extranjeras trabajó mucho este año pour donner une atmosphère stimulante pour les étudiants. More emphasis was placed on current affairs and less on literature. Students were not only taught to be proficient in speaking the languages, but they were exposed to the cultures found in the French and Spanish speaking countries. This gave them more of an insight into the lives of the people, and it presented a more enjoyable time in the classes. The language lab was used to help improve the students' speech and grammar. During the study periods, students could go to the language lab for further practice and study. The year was climaxed by Spanish and French field trips, further enhancing students' identification with foreign cultures.

JoAnna Allen (B.S., Mt. Mary College; M.A.T., Harvard; Chemistry 10-12; Minimum Math Chemistry 11-12; Coach—JV Volleyball; Ski Club Advisor). John N. Grabner (B.S., Univ. of Md.; M.S., Syracuse Univ.; Chemistry; Advanced Chemistry; Physics; Student Council Advisor).

Catonsville's Science Department began the year with a hearty commendation from the Middle States Evaluating Committee, who recognized "a science faculty that is well-prepared, cooperative . . . promotes science activity at different levels. Teaching methods and techniques are flexible and attempt to fulfill the needs of students. Thus, the total program in science is noteworthy." Catonsville was commended for "a laboratory-oriented and activity-centered science curriculum, . . . abundance of science related materials," and a wide variety of teaching methods and techniques.

While senior science options had poor enrollment this year, the department envisioned increased science electives in the future. A new course added this year was directed primarily toward the underclassmen—Mini-Math Chemistry. It was popular for its practical applications of standard chemistry.

High School Biology, the sophomore course, consisted of six consecutive modules, each emphasizing a different aspect of Biology. This course provided much greater freedom to both student and teacher.

Toni S. Brafa (A.B., Goucher College; M.S., Bucknell Univ.; Biology 10). Oliver V. Breitenbach (B.S. Frostburg State; General Biology 10; Anatomy and Physiology 12; Sophomore Class Advisor).

Paul Lopata (B.S., Bloomsburg State College; M.A., N.Y. Univ.; Typing II; Typing and Office Practice; Principal—Catonsville Adult Evening High School).

Under Mr. Paul Lopata, the Business Department at CHS offered many courses designed to help students pave their way into the business world. To supplement the usual classroom routine, there was a fully equipped stenography laboratory, with the latest equipment. Many of the students in this program sought employment through the release-time option offered at CHS. Students interested in furthering their business careers participated in the Future Business Leaders of America.

Mr. Glock's choral groups participated in numerous field trips to provide entertainment for local schools and community groups. Music Theatre highlighted the Christmas season with the *Christmas Follies*, rendering all a lasting joyful spirit. Successful Music Theatre productions were once again an integral asset to Catonsville's school and community life.

Continued emphasis was placed on visual and musical arts as an integral part of student experience as well as that of Catonsville's community.

The Art II classes participated in the County-wide Community Relations Commission art competition. They designed posters and 3D displays advertising various school activities as well as the cover for the Baltimore County Wrestling Tournament which was held in February.

Enhancing the curriculum, released time was provided to students who demonstrated superior ability. Possibilities for photography were expanded as equipment was added to the darkroom. Also improved were the photo-silk screen facilities.

The Music Department, both vocal and instrumental, offered a more diversified program for CHS students including a new elective, Choral Conducting.

In October the CHS band, directed by Mr. Hardy, combined with other county schools' bands in a superior display of talent at a Colt halftime show. This culminated a season of musical entertainment during Comet halftimes as well as expert performances on stage.

# Fun and fitness found.

In the second year as a senior elective, Physical Education became one of the most popular courses for those whose aim was fun and fitness. Catonsville High School's Physical Education program had the largest number of participants of any school in Baltimore County.

The gridiron became familiar territory to girls as well as boys with the introduction of "flag-football." Intramural teams were well received by all classes.

Girls' archery was once again an exciting part of the girls' program, while golf reappeared after a few years' absence as one of the main attractions in the boys' curriculum.

# Survival for singles.

Swapping shop and kitchen aprons, students found themselves shattering hard-core stereotypes regarding activities on the second floor and side annex. The Home Ec. and Industrial Arts departments discovered that they were no longer segregated by sex.

Home Ec. opened its ovens to bearded bachelors while car engines overheated at the sight of "pretty young mechanic-ettes."

Two new courses were initiated in Home Ec. this year. Bachelor Living supplied the basic survival techniques to the future *housewives* of America. Creative Home Arts dealt with the basic techniques of macrame, needle-point, and rug hooking.

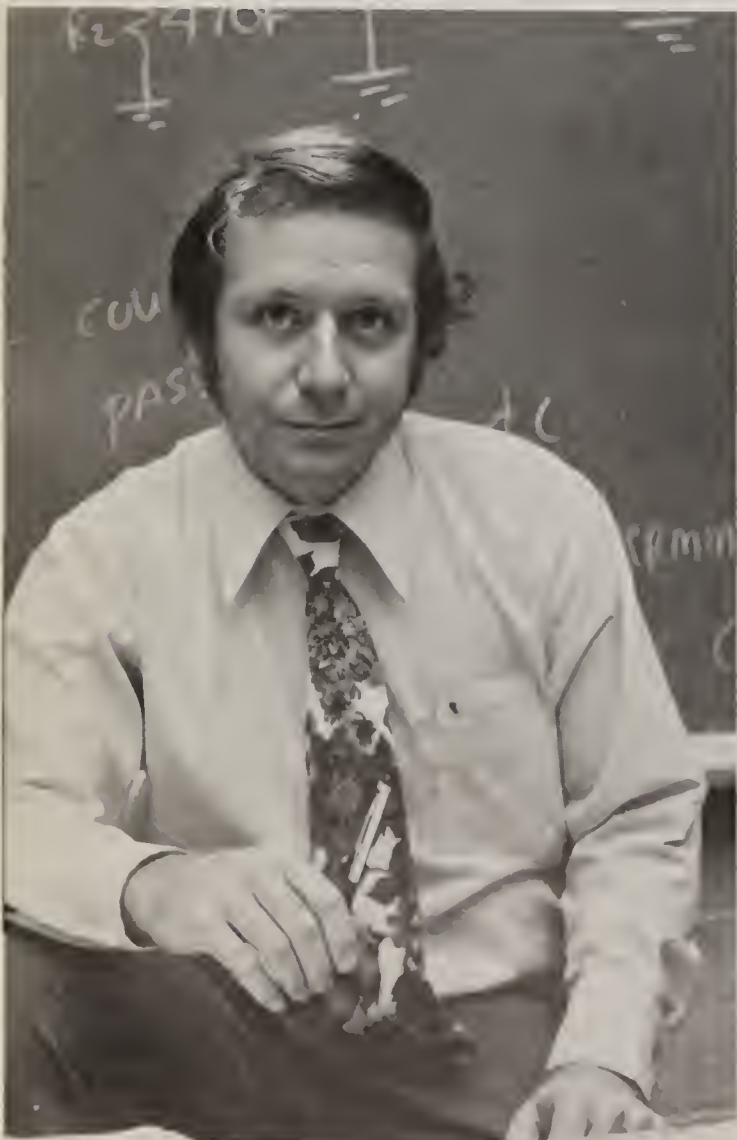

These two courses supplemented the already diversified curriculum offering Clothing I, Foods I, Intercultural Foods, and Living in the Home. A fashion show spotlighted the superior products of the talented students.

Industrial Arts students were offered numerous field trips this year including visits to Fort McHenry, Architect and Engineering Habitat, Fisher Body, and the American Plywood Industry. Each field trip was geared to coincide with the students' studies at C.H.S.

The basic course of study remained the same despite the influx of females. Wood and Metal shops boasted a few "lovelies" while future feminine architects partook of the fundamentals offered in Drafting I. Should they persist, the ladies will be challenging the men, when by the third level they find themselves designing their own homes.

Perhaps, in years to come, the *she* grads of CHS will be laboring over blueprints while the *hes* are busy with the buns!

# D.O. Does

Diversified Occupation provided an unusual approach to learning when compared to the standard school week. A period of orientation with the many occupations available, and counseling in finding and holding a job was the main thrust of the program. Also included in the program were English, Math, and a Science-Social Studies option depending upon the number of credits needed. These students received not only the benefit of an education at CHS, but also gained practical experience through job exposure.

Catonsville Senior High was one of eight high schools in Baltimore County co-operating with Western Vocational Technical Center, a school that prepares students for careers by teaching them related professional skills. On the average, students in the program attended the center for half a day. One third of their time was spent in class, the other two thirds on practical application of the skills and knowledge they had previously acquired.

Although only twelve general programs existed, various specialization sometimes occurred within a program. For example, students in the Data Processing program had the option of concentrating in either programming or machine operations. They were fortunate to have finally secured a computer for their class this year, eliminating the chore of sending materials away to be processed.

The Technical Center had a college-like atmosphere, for the students were treated as mature individuals. A lounge, equipped with several snack machines, provided a place to congregate between sessions and during breaks.

The students were on a more personal basis with their teachers, for each instructor discussed the student's grade with him. They were graded on their performance on a job, not by the ratio basis used in high school courses. College credits could be obtained in many programs, such as Electronics, by passing a final examination. In Cosmetology, a State of Maryland license examination in hairdressing was passed by several Catonsville seniors.

The faculty of WVTC contained two members whose only responsibility was finding jobs for students enrolled in the senior work-study program or for students seeking jobs after graduation. They were very successful this year, and placed most students into jobs co-ordinated with their program. Many students in Food Services had the opportunity to work at Martin's West or Papillon, and students in Architectural Drafting had the experience of designing a house in Carroll County.

# Special courses from special sources

"Wasn't that the bell?"

Special Education continued as one of the most important links in Catonsville High School's educational program.

Miss Gillan taught the students English, History, Math, and Science during four periods of the day. In the remaining three periods they attended Physical Education, TPU, music, or other varied electives. Some of the students participated in special programs at Western Vo-Tech.

The major goal for the class and their new instructor was for each student to have some job in the school. Positions as office aides, nurse's aides, and other assisting jobs were obtained and well performed.

Focusing on the aspects of defensive driving, the Drivers' Education curriculum continued to produce rookie roadsters through the use of films, textbooks, and on the road driving. In the eyes of participating students it was a very successful year.

The class of '76 was fortunate in coming to a new school complete with a fully functioning library at the start of their sophomore year. In addition to last year's renovations, students found an accessible copying machine, a great help to all.

Greatly used during studies, the library was a place to go to get work done without distraction, and the two librarians were always available to aid the students in finding anything they needed.

The nurse played a new and different role this year. She was not just someone who stuck a thermometer in one's mouth, but was an understanding person in whom one could confide. Under the Confidentiality Law, Mrs. Adkins says, "Now young people have an opportunity to confide in adults without being scared as to what they'll say."

*Bottom:* Karen Frey finishes has assignment while Jim Brandt checks to make sure his notes are in order. *Top:* Selvin Rudd (B.S. East Tenn. State Univ.; M.Ed., Towson State; Univ. of Md.; Western Md.; Concord College; Head Librarian; A-V aides advisor).

Without the Bus Drivers, Cafeteria Staff, and Custodians, our school would fall down around us. Having them working behind the scenes, we were able to enjoy our school day not having to hitchhike in the cold, starve, and walk through mounds of trash.

Although there were many close calls, the bus drivers continued to bring the students to and from school *safely*. The staff consisted of approximately thirty male and female drivers who were all well pleased with the *maturity?! displayed* by their passengers.

Once again the custodial staff kept our school running smoothly. Well carried out were the numerous delivery, repair, and cleaning duties for which they were responsible. Despite the winter's fuel shortage, our coal-burning furnaces steadily supplied comfortable temperatures.

The cafeteria staff arrived early each morning to prepare meals for CHS and satellite schools. Thus their job entailed much more than many were aware of. Due to the lack of government funds, food prices rose drastically this year, resulting in a smaller volume of food being bought by students. Despite this problem, the staff of twelve ladies and their manager; Mrs. Nierwinski continued to do a successful job with the tremendous amount of work given to them. As always, their time and services given to CHS were greatly appreciated.

Mrs. Nierwinski takes a moment to have her picture taken before preparing for the first lunch shift.

# Sophomores: quiet but gallant

*Sophomore Class Officers:* P. Hendricks (sec.), E. Ebersole (treas.), A. Jacob (vice pres.), L. Buchness (pres.).

Don't be so impatient. You've still got two years!

*Sophomore Council:* Front Row: A. Barringer. Back Row: M. O'Neil, K. Zeitler, A. Jacob, E. Ebersole, L. Buchness, P. O'Neil.

"You want to run that by one more time?"

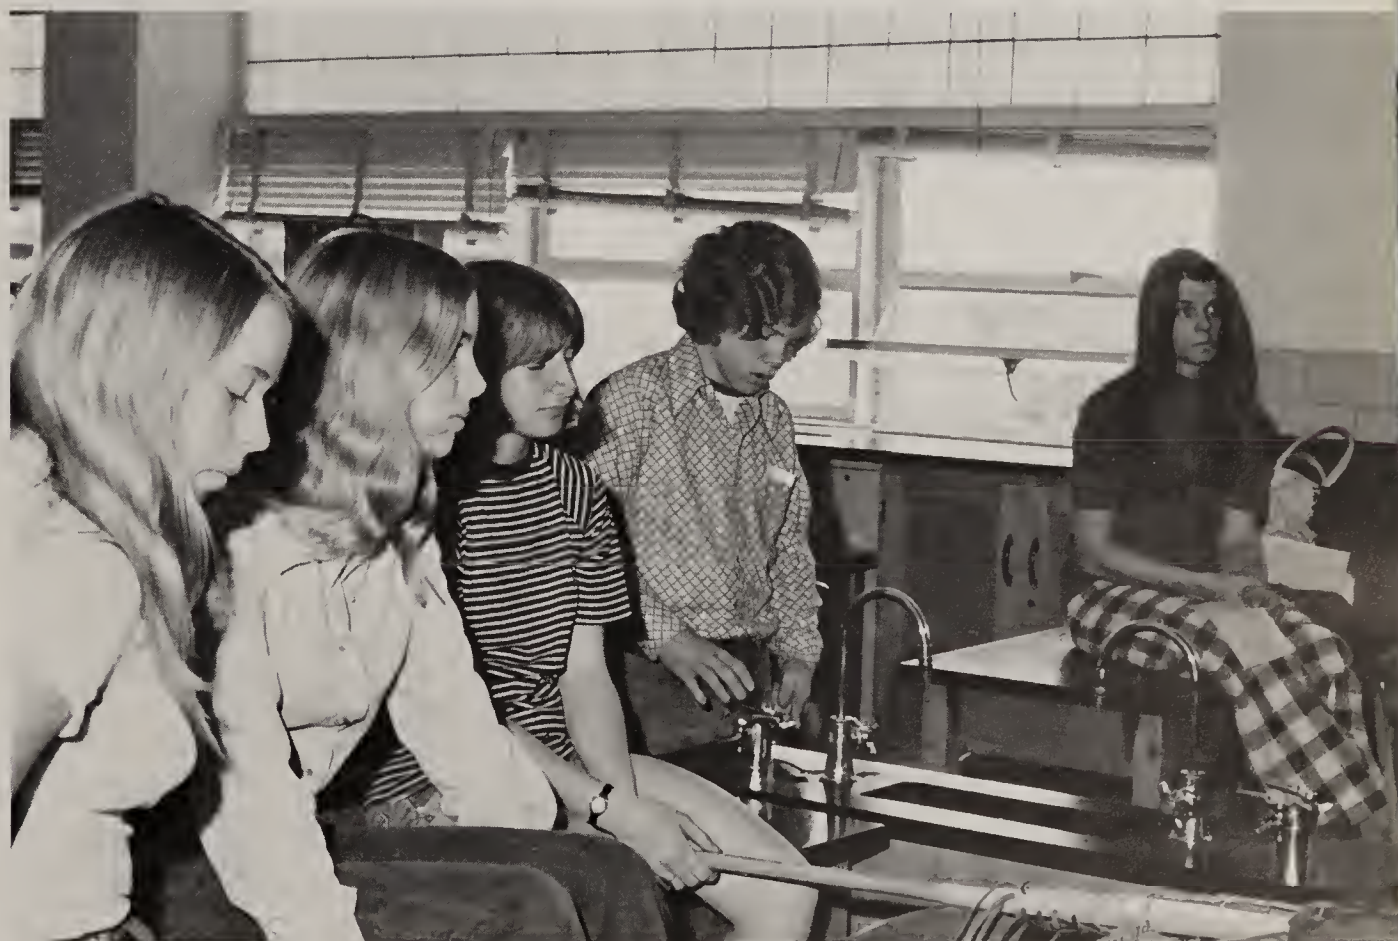

The class of '76, Catonsville's new sophomore class, was very quiet yet gallant about their plans.

During weekly meetings, President Lucy Buchness led her council in planning an activity-packed year. The class seemed to know what it wanted from its years at Catonsville, keeping in mind that organization would help them achieve their major goals.

Spirit set them off from the start. As a result of their efforts, buttons and tee shirts with "76" printed on them were seen wandering the halls. Various other activities included several bake sales and all were geared toward the main event of their year, the Sophomore Party.

Sophomore Class Advisors: B. Breitenbach, P. Borkon.

Running this class is such serious business.

So the fate of this year is up to us, huh?

Yes sir, I really *am* a junior in high school.

Nancy Maitland presents proposals.

Junior Council Officers: S. Elliott (treas.), J. Schlee (sec.), N. Maitland (pres.), J. Hawkins (v. pres.).

Junior Class Advisors: Hank Andrion and Barbara Matyas.

With the assistance of Mr. Andrion and Miss Matyas, the Junior Class launched a major fund raising campaign. During the summer break, projects began with selling refreshments at the 4th of July parade. Within the first few weeks of school, dues cards were sold rapidly. For \$5.00, the holders of these cards could obtain free admission to the Ring Dance and Prom. With \$500 in their treasury, the Junior Class was able to relax for the remainder of the year. Departing from their sophomore slump, the Class of '75 increased their spirit and supported their class.

# Council culminates CHS career

*Senior Council: Front Row: P. Brown, C. Jones, B. Welsh, K. Moss. Second Row: C. McMillan, K. Stilling, H. Willis, N. Baysinger, L. Zeitler, F. Shaw, N. Buckley, L. Douglass, N. Douthat, D. Salle. Back Row: B. Harris, S. Burgess, R. Cameron, T. Matta, F. O'Brien, J. Wallace, M. Burke, K. Gilbert, D. Davis, A. McCoy.*

I've been holding my hand up here for so long, I think I'm falling asleep.

Grave deliberation determines the direction Sr. Council meetings take.

Senior Class Advisors: E. Mentzer, E. Montgomery.

The Senior Class should be thankful to a handful of students who showed interest in executing activities not only on their own behalf, but for the school as a whole. With a history of two active years, many felt that apathy reared its ugly head to become an obstacle for the Council as well as the class itself.

When the *senioritis* bug had almost increased to epidemic proportions, the Council suddenly took life when plans for graduation were initiated. Many of the students were dissatisfied with the graduation plans and were particularly upset with the site for Senior Day.

The dissatisfaction was due partly to the fact that only a small number of senior representatives attended the meetings, therefore permitting the officers and advisors to make many of the important decisions. The willingness of a small number of students made these decisions a little easier, but on the whole, a willingness to work as a class was not prominent.

Senior Class Officers: Sitting: B. Welsh (sec.), P. Brown (vice pres.). Standing: C. Jones (treas.), K. Moss (pres.).

The National Honor Society was very large this year with several members participating in the tutorial program. Stuart Moulthrop, editor of the *Kay-hi*, was given the Brown Award for the outstanding junior student.

Janet Gornick, Joe Breslaw, and David Trumble were Catonsville's representatives in the televised series, *It's Academic*. After going into overtime, the team placed a disappointing second, losing to Western by only one question.

Kit Thompson was awarded the Scholar-Athlete of the year. Kit's smiling face was seen on football, track, and basketball teams as well as in the library.

# AFS motto: Walk together, talk together

This year, the Catonsville Chapter of AFS was host to two foreign students, Bert Van Pinxteren of the Netherlands and Anne Frisch of West Germany. Both Bert and Anne had graduated from high school before coming to Catonsville, and both planned on attending universities after their return to their homes. Anne, unfortunately, was forced to shorten her stay in America upon her acceptance to medical school in West Germany.

Claire McMillan (President), Rose Ann Freundel, and Betsy Ball were chosen by the Catonsville American Field Service to compete for an opportunity to spend a summer or a year abroad in the Americans Abroad Program. Rose Ann left in June for a summer in Belgium, while Betsy's destination remained uncertain.

Mr. Manus, the AFS faculty advisor, was pleased at the growing interest and participation in the organization and its activities. Money was raised by the sale of Mary Sue Easter Eggs and various contributions by community groups. An International Dinner, an AFS Valentine's Dance, and a weekend at Camp Glyndon topped the agenda.

# In praise of prints and poems

Catonsville is blessed with a  
literary book;  
Its name is the notorious *Gargoyle*.  
Containing the best  
Of all CHS  
So to excite every boy and goyle.

The work is submitted every year  
on the dot;  
It is read through, sorted, and  
picked.

The process is slow,  
And tedious you know,  
But they finally get things to fit.

The Student Council of  
Catonsville High  
Did at times seem to be quite  
successful.  
But business went slow,  
And attendance was low,  
So the officers had quite a  
handful.

Supported by a small group of  
students,  
The *Homecoming* was a triumph  
to all.

There was much work to do,  
But when it was all through,  
It seemed worthwhile to all who  
were involved.

# Where Good triumphs over Evil

Webster defines melodrama as "a drama with sensational, romantic action, extravagant emotions, and generally, a happy ending." The Caton Villagers define melodrama as *East Lynne*.

On November 2 and 3, Ned Albert's *East Lynne*, under the direction of Beth Trott, was performed on the CHS stage. There was a special atmosphere surrounding the play because it was the first melodrama performed at Catonsville for several years.

The audience booed and hissed at the direction of the ushers and through everyone's enjoyment it was a total success. Miss Trott proudly revealed, "unlike most productions, *East Lynne* was characterized by a unique union of cast and crew, making it not only a success, but a meaningful theatrical experience as well." Hard work by the fine actors and crew made this one of Catonsville's more outstanding performances.

Marriage?! After all this time?! Below: This audience could make a villain feel bad.

Above: A mother and son reunion, but he can never know her identity. Left: Lady Isabelle comforts Raymond as he reacts to her plight.

In a single afternoon the Madwoman restores happiness to the world.

The Chairman and pals—the epitome of evil.

I promise to lie, distort, and conceal  
EVERYTHING!

If you let go of someone, you never see him  
again.

Despite a three month delay due to condemnation of the CHS stage facilities, the Drama department portrayed beautifully “the story of the triumph of Good over Evil—obviously a fantasy” in its rendition of *The Madwoman of Chaillot* this spring. The depiction of a “mad” Countess duping an oil prospector and his capitalistic pals in their attempt to drill for oil beneath the very cafe inhabited daily by the Countess and her tacky friends lifted the spirits of all who experienced it. “If they’re greedy, they’re lost. If they’re greedy, they’re stupid. If they’re greedy, I know exactly what to do.” Such insight hardly comes from one who’s “mad”.

As all true sub-plots go, Pierre and Irma fell in love in the span of three hours, again due to the Madwoman’s intervention. “If two people who have loved each other let a single instant wedge itself between them, it grows—it becomes a month, a year, a century; it becomes too late.” May we all take heed from the Madwoman.

We'll finish this finale, then be off to the cast party!!

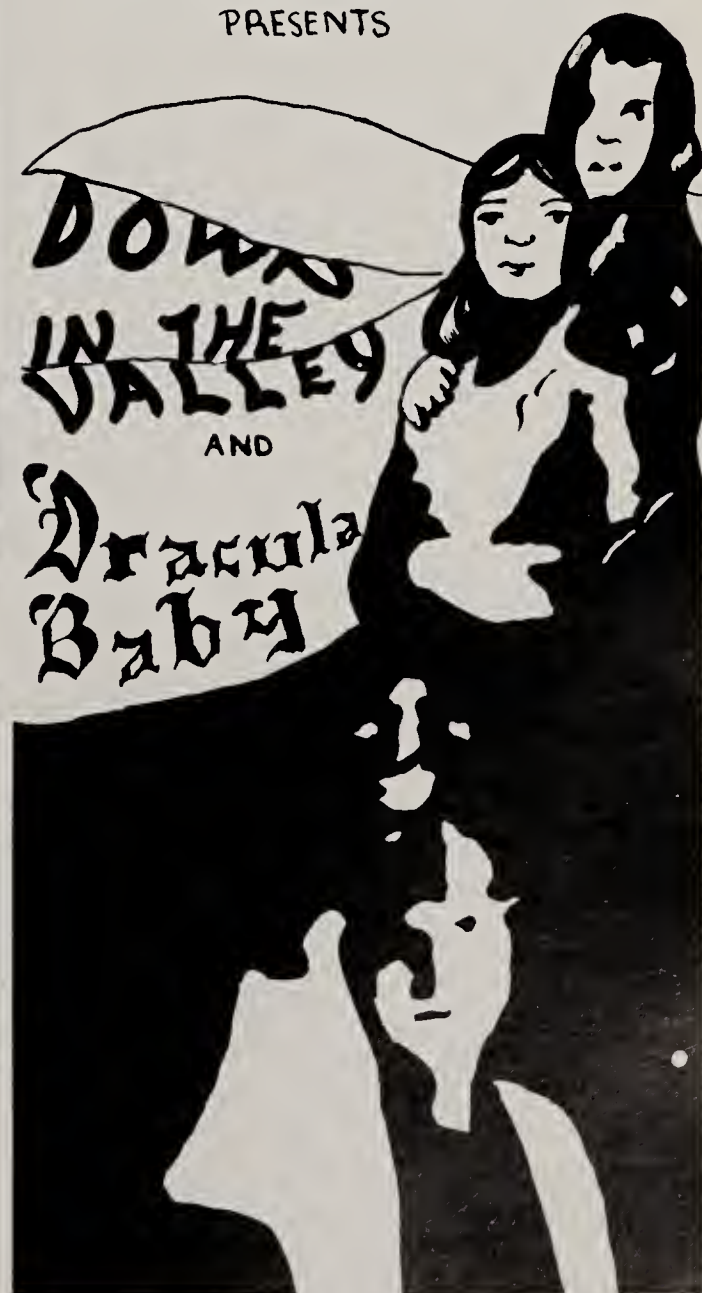

If you happened to walk into the auditorium this year and thought you saw what looked like a guy in a ballerina skirt, or a reindeer running around, you weren't imagining it. Even mummies and vampires became a common sight at CHS during rehearsals for Music Theatre. The results of those strange sights were two major productions: *The Christmas Follies* which was performed in December, and the musicals *Down in the Valley* and *Dracula Baby* which went on stage this spring at Hillcrest Elementary School.

Aside from the obvious talents of the cast and directors, the stagecraft class added to the success of both productions, providing our school and community with uplifting entertainment.

Non-verbal communications is essential, *even* in a musical!

Vocal music this year at CHS had something for everyone. For those looking for a hint of nostalgia the Boys' and Girls' Ensemble, in separate performances, brought back such "oldies" as "Good Night Ladies", "When You're Smiling" and "Let A Smile Be Your Umbrella." Anyone searching for a bit of today found it in the entertainment of a "streaker", and well-known themes from the versatile Girls' Ensemble consisting of 140 girls. The small but energized Boys' Ensemble delighted the audience on numerous occasions with their stage antics and their fine voices. Along with performances at school assemblies, the ensembles performed for audiences at area elementary schools, the PTSA, Spring Grove State Hospital and at the Area Festival.

The Concert Choir satisfied its audiences with a serious tone of music consisting of four-part choral selections and modern spirituals. The group of about 25 performed for the PTSA, Bonnie Blink, St. Peter's Catholic Church in Harper's Ferry, night school graduation at CHS, and at County Choral Day. Also, for the first time, the Choir succeeded in cutting a record which consisted of selections from the aforementioned concerts.

The Chorale, a small group which practices after school, performed pop numbers and madrigals for a wide range of audiences. This year the Chorale performed for the Dulaney Women's Club, various nursing homes, PTSA, and sang Christmas carols at Security Square Mall.

All of these performances would have been possible, but the praise expressed as to the quality of these vocal groups would have been unlikely without the leadership of Mr. R. Warren Glock.

*"I'm honored to be signing a real live recorded Concert Choir record."*

*Stage Band: First Row: D. Lally, P. Hahn, D. Towns. Second Row: J. Fisher, J. Harrison, P. Kent, D. Huff, M. Philip, K. Wilcox, C. Jones, L. Burley, J. Laur, L. Kent, S. Gundy.*

The Concert Band progressed through the fall and winter months performing their first concert in mid February. It consisted of a few Jazz and Pop pieces along with some contemporary concert compositions.

Their next performance took place in mid April with pieces again in the areas of Jazz and Pop. An added hint of the sea was evident in the performance of "Fantasy on American Sailing Songs."

This year also brought two student teachers to the Instrumental Music Department. Mr. Doug Fair, a trumpet major at the Peabody Conservatory of Music, conducted and performed with the Band during the late fall and early winter seasons. His excellent teaching ability was greatly appreciated and his time at our school proved an inspiration to the entire organization. Mr. Louis Sherr, a keyboard major at Towson State College, added his experience in the electronic and contemporary Jazz music fields via a performance by his Jazz group, and the formation of a Jazz Combo within the school.

Mr. Hardy is looking enthusiastically forward to next year's talented prospects in hopes of continuing the Band's annual exchange program.

# From strings to Sousa

The highlight of the year for the Catonsville High Marching Band was an invitation to participate in pre-game and halftime activities along with the Baltimore Colt Marching Band and three other area high school bands on October 28, 1973. This event was successful according to Richard Otto, drum major of the Colt Band.

In the spring the C.H.S. Orchestra was invited by Towson State College to perform for the Music Education Department's Program. Mr. Hardy, the director, stated that this has been a highly successful year for the orchestra, due to the large number of talented musicians. May the orchestra continue to grow in size and talent in years to come.

Catonsville Marching Band performs with the Colt Band to S.R.O. audience at Memorial Stadium.

# Be-boppers hit Catonsville

Look at that face, just look at it . . .

Who was that disc jockey? Was that Jay Cleaver?! . . . Slicked hair, bobbed hair, ponytails, sunglasses, straight jeans, long skirts, bobby socks, and saddles . . . What a bunch of greasers!!! Hey man, listen to that good old rock'n roll!! . . . A dance contest!—and the winners—Fran O'Brien and Rita Miskimon!!! . . . The greasiest greasers—Heather Willis and a tie between Gary Heil and Dave Wilford!!! . . . Wow!! . . . Just hop to that cool music! . . . Even the teachers were in the swing. Hey man, after the hop? . . . Pappy's! Chinese firedrills! Shaving cream!!! How greasy!!!

Hey babe, you wanna boogie?!

Hey dummy, this is a *Sock Hop!*

# Turn, turn, turn . . .

"A wedding ring!?"

October 27th was the night  
The Juniors hosted a *Ring Dance*.  
Dancing and jiving,  
At last '75-ing,  
They partook in food, fun, and  
romance.

Rings were given as they came  
through the door;  
All were flaunted and admired  
with pride.

*Appaloosa* was playing,  
As Juniors were saying  
That the best year is '75!

# Santa's Workshop incites excitement!

Hey, it's supposed to go on the tree!

The *Homecoming* of '73  
Showed the couples a fantastic  
time.

Their feet were aflight,  
As they danced through the night,  
To *Trouble Company* and *Lemon-  
Lime*.

Mr. Clopper presented the flowers  
To Jennifer, The *Homecoming*  
Queen.

Accepting them greatly,  
(Though she was a bit shakey),  
She smiled with a radiant gleam.

The dance proved to be a success,  
The planning turned out to be  
right.

All the preparations . . .  
Refreshments, decorations,  
Made the dance a memorable  
night.

I told you there was *someone* smaller than me!

We'll tell you if it looks okay, Fran!

# Bugs, Bozo, and Batman bomb C.H.S.

On Underclassmen dress-up days  
Some said, "This is quite dandy."  
The halls were filled  
With Jacks and Jills,  
And Papis, and Anns, and Andys.

Oh, to be a child again!

Seniors returned to their  
childhood days  
As they laughed through a day  
with no cares.  
With big lollipops,  
They skipped and they hopped  
While holding their soft teddy  
bears.

# Sophomores party with pizza

Pizza and a band called *Brandy*  
Were the height of the Sophomore  
Dance.

A profit was made,  
And while the band played  
All were glad to have had the  
chance.

C'mon you guys—is this close enough?

What could possibly be on the ceiling?!

Taking attendance at a dance?!

A time for Sophomores to get together.

*Left: Don't worry, we'll get past Mr. Ferruso! Below: Hurry up, I can't hold this pose much longer!*

*Yeah, it'll do.*

# Junior Prom: Pride of '75!

Gracious greetings from Mrs. Harris and Miss Matyas.

Saturday night was the *Junior Prom*,  
It's theme was *Stairway to Heaven*.

It was a great night,  
That turned out just right,  
For all of grade eleven.

As romance filled the whole night  
through,  
There were smiles and many a  
laugh,  
'Cause refreshments were tricky,  
For things got quite sticky,  
When the punchbowl cracked in  
half.

# It's not so bad here!

Come on now, let's hear it for *Sound Track!*

The Bump!

Band breaks and chair shortages lead to lap-time.

On the evening of June the first  
A prom was attended by Seniors.  
The turn-out was great  
And worth the long wait,  
For all, including some Juniors!

There were two bands who played at the dance  
And provided good music for all.  
The couples had fun,  
For all work was done  
When they entered the beautiful hall.

With brandy snifters as favors,  
The dance proved to be a success.  
A night of romance  
Seemed to heighten the dance  
Which we hope will top all the rest!

*Um-umm, Good!*

You just wait till this music stops!

Juniors support the *Senior* class?

Beautiful . . . now just hold that for a second. It'll only take me ten minutes to reload.

Charming? Why, yes!

# And thus it ends

"What do you *expect* at 7:00 A.M., fellas?"

The last day of school approached fast  
As Seniors had classes no more.  
The spirit displayed  
Seemed to top off the day  
For the class of '74!

Cathy Doetzer receives a trophy for recognition of her management and sports ability.

For outstanding leadership on and off the field, David Hornfeck received a special award from Mr. DeManns.

"Miss Stacy Alston . . . This is your life!!"

While accepting his award, Dave Carlisle received thunderous admiration from his "fans".

# Seniors simulate summer

Senior Day at Greenbriar State Park,  
Was more fun than one would expect.  
Though the water was cold,  
Some were quite bold,  
And they "helped" the dry ones get wet!

Paddle boats and rowboats were for rent;  
Touch football was played in the mud.  
On the way back towards town,  
One bus broke down,  
But the day was far from a dud!

# Into the "real" world

Graduation was in two nights this year,  
Though most "somehow" made it for both.  
Tears and applause  
Did ring through the halls  
As a send-off from those who were close.

The theme dealt with the roads one travels,  
And the Seniors have travelled a few.  
As they walked down the aisle  
In grandeur and style,  
They were headed for one that was new.

When two are friends, life and love are entwined so deeply that each becomes a part of the other. So when death comes to one, an emptiness is implanted within the other broken only by happy memories of days together. But, even with the memories, the emptiness is never to be filled again.

They're found in the wild *Comet* Country.  
They appear to emit yells and screams.  
They wear blue and gold,  
And saddles we're told,  
As they try to encourage our teams.

It's reported while Varsity's cheerleading,  
They clap, stomp, and bob all in time.  
But Brenda and Lynn,  
While yelling, "Win! Win!",  
May also say, "GET BACK IN LINE!"

The young J.V. has super spirit,  
Their cheers bring agreeable nods.  
First it was Laura,  
And now "Dro" and Barbara,  
Have the honor of leading the squad.

The cheerleaders are constantly smiling,  
Though at times it's a hard thing to do.  
Whether the team is on top,  
Or the game is a flop,  
Their teeth always seem to shine through.

Ok girls, we've *really* got a captive audience this time!

Sporting new uniforms this year, the Majorettes and Pom-pon girls livened up halftime activities at the football games along with the band. To pay for these uniforms, bakesales were held during these games.

The routines of the majorettes were more complicated than last year's ideas. Each girl made up a part, then all parts were coordinated to form a smooth, snappy routine.

The Pom-pon girls added more variety to their routines this year and together these two groups made a sharp combination.

On October 28, 1973, they traveled to Memorial Stadium to participate in halftime activities with our band, the Colt Band, and three other high school bands. According to Richard Otto, Drum Major of the Colt Band, the students made an impressive showing.

More spirit and enthusiasm were displayed this year in field hockey than ever before. The Varsity team, coached by Mrs. Welsh, was co-captained by Stacy Alston and Jennifer Wallace. The squad consisted of eleven seniors and four juniors, three of whom were "new to the field." An effective win over Keough led the team in high spirits throughout the remainder of the season.

The J.V. team, coached by Miss Schuyler, was the best J.V. squad Catonsville had ever seen. Combined team efforts along with terrific spirit from the co-captains, Vicki Burke and Jody Stern, helped to produce a winning season.

Would you believe the first winning season since 1962? Well, the CHS Varsity Soccer players have succeeded in finishing their season this year with a 5-4-1 record. Two of the players, Richard Woods and James Fitzpatrick, made the All-County Soccer Team. Other outstanding players were John Clark with 7 goals—2 assists, Bill Wright with 8 goals—0 assists, and John Miller with 1 goal—6 assists. The highlight of the year, according to Coaches Bury and Mason, was the Loch Raven game. The team played a very good defensive game, holding the state finalists to a 0-0 tie. The CHS soccer players had an outstanding year and should be just as good, if not better, next year with many players returning to the team.

The J.V. Soccer team had an overall 2-6-2 record. There was a small sophomore turnout for the J.V. squad, yet those who made the team were set with determination to have a really good year. Many of the players will be returning next year, and with a combined effort of talent and teamwork, both teams hope to have a very successful season.

Lacey Walker smilingly strides toward the finish line.

Attending meets as far away as Hereford High School, the Varsity and JV Cross Country teams made a respectable showing this year.

The Varsity team was headed by Walter Dudley, who ran an undefeated dual meet season. Jack Watts and Lacey Walker, running in the second and third positions for the Varsity team, turned in outstanding performances. With these three strong runners were two sophomores, David Wolfel and Bill Barber, who rounded out the team, making it, according to Mr. Crain "inexperienced but efficient."

The Junior Varsity team led by Ken Wilcox and Glenn Link, managed to place fourth in the County Championships, with Ken Wilcox winning the individual championships.

Overall it was a good year for Cross Country, with several members of both Varsity and Junior Varsity ranking high in the county as individual runners. The team will be looking forward to an even bigger and better season next year with Walter Dudley setting the pace.

FANTASTIC!! What else can describe the Catonsville Varsity football team? Besides clinching both the Baltimore County and District VI football crowns, the team rounded off the super season by having eight players named to the all-county football team: David Carlisle, Kevin Jackson, Doug Tamburo, John Lytwynec, Tom Farndon, and Chuck Ackman on offense, and David Carlisle, Doug Tamburo, Kevin Jackson, Bill Page, and Kit Thompson on defense. David Carlisle was also named player of the year in the A Division.

Every game began with the spirited team answering the yell of "Who we gonna beat?" Only once did it fail to come true, when Randallstown, the former league champions, managed to pull through with a 7-0 win. Catonsville's overall record for the exciting season was 8-1. The aggressive Comet offense, combined with interceptions by the dazzling defense, accumulated the most game points in the County.

When asked about the success of the team, Coach Demanss said, "The players played team ball . . . they played as a unit." He believed that "individual performances steadily improved" throughout the season, and their "high morale" helped drive the team to victory. Demanss also modestly attributed the winning season to the "superb coaching", consisting of Mr. Reeves, Mr. Peddicord, and, of course, Mr. Demanss.

JV football had a fantastic season of their own, placing second in the A Division with an overall record of 5-2. The team, consisting mostly of sophomores, averaged twenty points a game with Kevin Scott making many of the *Comet* touchdowns. The defense continually held back the opponents, making it possible to attain four shut-outs in the season. The captains, Tom Corbitt and Kevin Scott, did a great job of leading the team to a winning season.

The hope for a championship season was set off to a good start by a close win over Randallstown for the Girls' Varsity Basketball Team. The team of fifteen girls with unlimited skills, co-captained by junior Margie Knight and senior De De Foreman, worked hard to perfect their skills with new drills. Miss Pavis led the girls to an impressive winning season of 6-2.

The Junior Varsity's hopes were realized by their undefeated record. Miss Recter, a newcomer to CHS, worked faithfully with JV to provide us with a County championship team.

After her famous last words, "Ha Ha, you can't stop me", high scorer Fran Ferrante scores two more for the *Comettes*.

# When you're hot, you're hot . . .

The agony and the ecstasy of Sing.

. . . especially when you begin the season by beating teams with an average of 83 points per game. The Varsity *Comets* were led by C. Ackman, J. Caloyianis, and M. Donohue, who were high scorers in 6, 5, and 4 games respectively. However, the *Comets* ended up with an overall record of 13-7. Coach Talarigo accredited this to their "problem of consistency" and the fact that two of the Varsity players were dismissed from the team. The record fails to show, however, that the team's superb effort kept them in every ball game until the last few minutes.

With the help of a twelve game winning streak, the JV *Comets*, led by R. Maybin, G. Smith, and K. Conigland, achieved an overall record of 18-4. Coach Mason was very pleased with the season and feels that the team will produce good prospects for next year.

This year the Indoor Track team had a fantastic season with the Varsity and JV teams finishing in second and third place respectively in the Baltimore County Championships. D. Cross, T. Farndon, S. Flood, B. Roberts, K. Scott, J. McDade, S. Simkins, D. Wolfel, and B. Barker turned in "dashing" performances as each squad broke two county records.

The *Comets* also proved strong on the home front as they set school records in pole vault, high hurdles, 50 yard dash, four lap relay, and high jump.

The coaches were quite pleased with the season and Mr. Bury felt that, "Since I've been here, this is the best team we've ever had!"

Pain and Punishment reigns on the mat.

David Carlisle successfully executes the final pin of his CHS career.

The Catonsville *Comets* climaxed their season by defeating every team in Baltimore County to clinch a position in the top ten of the State Tournaments.

The efforts of D. Carlisle, P. Howe, D. Tamburo, A. McGraw, E. Bacon, and W. Ervin enabled Catonsville to capture three First, two Second, one Third, and five Fourth place standings in the Bel-Air, County, and District Tournaments.

The *Comets* won every dual meet in which the entire team was present. The overall record, however, was 3-4 due to the absence of many members, resulting in forfeits.

Catonsville's JV, otherwise known as the Division Champions, had a dynamite 8-0 season. The coaches worked very hard with the squad and have high expectations for their performance next year on Varsity.

Dig that divot!

The *Comet* Tennis Team finished the year with a 5 and 5 record, the best in 6 years. The players were strong in singles, having two undefeated players, Frank Harrington and Fran Ferrante. The team was young, consisting of four seniors, and had great hopes of improving next year.

Due to the loss of several starting players and the inexperience of much of the remaining team, the *Comet* Golf Team ended its season with a 1-4 record. There was a *driving* spirit throughout the matches, however, and the team placed 12th out of 17 contenders in the County Tournament.

The first year of Girls' Track at CHS, coached by Ms. Wagner, ended with an excellent record of only one loss to Dulaney. Although the team was inexperienced, the girls all pulled hard and the Boy's Track team was always willing to give a helping hand.

Stacy Alston, the most valuable member of the team, broke the record for the long jump, setting it for Baltimore County at 16'2". Achieving three Firsts in the County Championships, she was chosen to compete in the States. The members of the 880 and 440 relay teams also participated in this competition.

Rookie morale and spirit was high throughout the season and all are determined to carry it through for an undefeated record next year.

This year's Outdoor Track team had a great season as they became the District VI Class A Champs by defeating six other teams in Baltimore County. Three school records were broken by Doug Cross in the high jump, triple jump and pole vault. Dave Carlisle, Walter Dudley, Jim McDade and Bob Carbo each proceeded to break a former school record also. The team's success can be due partly to the coach, Mr. Ed Bury, for his fantastic effort to improve the team and bring about good prospects for next year.

And everyone thought that walking on water was a feat!

I've practiced this a hundred times. Hope I get it right this time.

Maybe if I kick my legs a little harder I can fly.

I'm going to get that chick if it kills me.

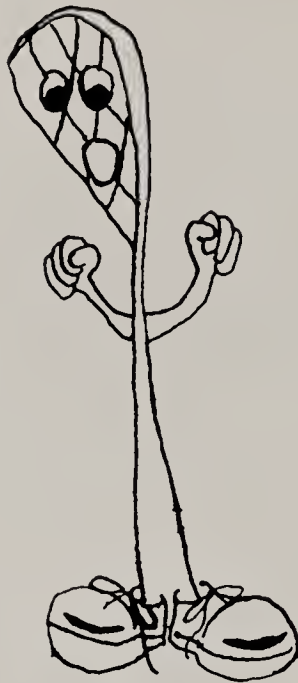

Hey, the holes in these crosses are 'sposed to be *tiny*!

The success of this year's lacrosse team can be accounted for by the large turn-out of experienced girls who tried out for the squad. Many girls not only showed their ability to play the sport, but also showed their ability to work together as a team.

The A squad had many experienced players return and the B squad consisted mostly of beginners who were capable of becoming skilled lacrosse players.

The fun-loving, dedicated teams practiced many long hours and showed an immense improvement over last year. Hopefully, their ability to work together will promise them a winning season next year.

This would make a great *Super Duper Pooper Scooper*!

The Varsity lacrosse team finished off their games by taking second place in their division. They seemed to have a slow start, suffering two losses at the very beginning of the season. According to Coach DeManss, after the league losses there was more teamwork, more balanced scoring, and a good defense. The team had enough potential to win the divisional title, but they suffered an important loss to Pikesville, which left them out of the play-offs. Although the *Comets* weren't in the finals, they beat the divisional champions, Loch Raven, during regular season play.

The *Comets* started off their season slow, but they ended up coming on strong and hopefully have many good prospects for next year.

# Better than ever!

Rod Cameron backs up first baseman Jeff Welch as his catch beats the runner for an easy out.

Triple thought leads to successful strategy for JV Baseball.

Two outstanding baseball teams hit CHS this year. With ten wins and only two losses under their belt, the JV team won the Western Division Champions and were in the County play-offs. Coach Reeves stated, "The team has worked well together and the players helped each other to improve. This is necessary for any winning team." Pitcher Rick Ber-  
gin achieved a great win-loss average followed closely by Ron Hirey. The team was praised by their coach as his best hitting team ever.

The Varsity team had an equally triumphant season with nine wins and three losses. It was the best season in the past three years. Finishing number One in the A Division, they played Franklin for the County Championship at C.C.C.

Notable players were captains Tom Farndon and Chuck Ackman who both received college baseball scholarships. John Lytwynec, Rod Cameron and Jeff Welch made outstanding contributions to the hitting attack while Lee Ward and Dale Kennedy handled the pitching chores.

The *Comettes* Varsity Softball Team, coached by Miss Schuyler, suffered through an off year as they managed to win only 3 of 8 league games.

Although at times the girls played good fundamental softball, they seemed unable to put all aspects of the sport together in any one game.

Coach Welsh's JV squad fared no better than their Varsity counterparts as they could only manage a 2 and 6 record. For many players, this was their first year in competition, and the season provided training as well as learning experience.

# Spend a weekend around a hot set of wheels.

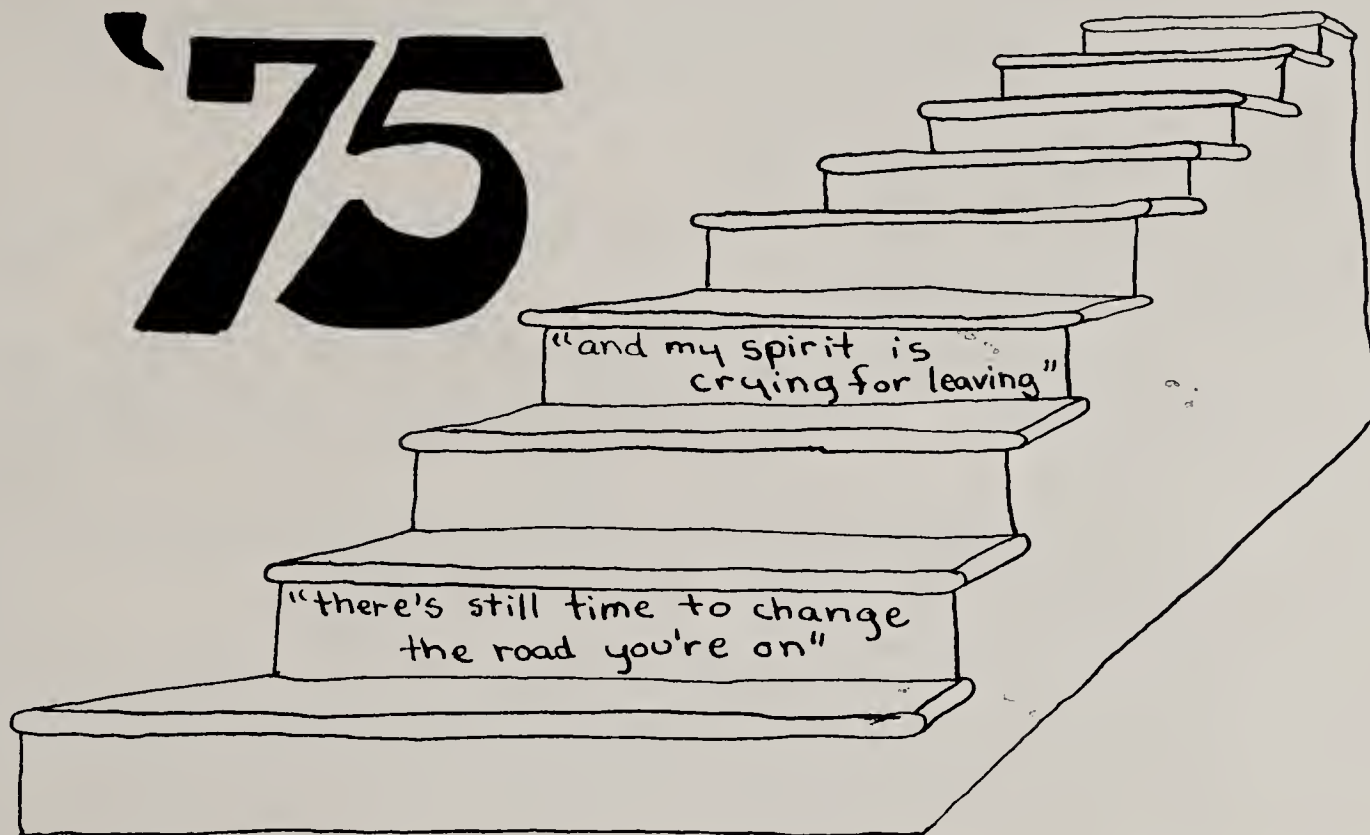

The really hot wheels come with wings. Like our Air Guard A-37 Dragonfly jets. We use 'em for close air support. And to escort troop-carrying helicopters and protect truck convoys. For armed reconnaissance . . . and interdiction. Night and day. You can help move our wheels one weekend a month. Learn a skill. Get extra pay. Do something different. Help the country. See how you can move our hot wheels in the Air Guard.

We don't make  
promises.  
We make guarantees.

With all the options and offers we can make, there's no reason why we'd guarantee you something we can't deliver. And we won't.

Everything we guarantee will be put down in writing. In a legal document you get a copy of. In language you can understand.

We think today's Army has a lot to offer you, and we'll try to convince you of that. But we'll never try to mislead you.

If you want to find out about some of our offers, call or see your local Army Representative.

*Today's Army  
wants to  
join you.*

## SOME SERVICE STATION OPERATORS MUST BE

## BETTER TRAINED!!!

When your customer pulls up for gas at 15,000 feet over the ocean, you have got to know your job and do it well — the lives of the crew and the safety of an \$8-million aircraft depend on it. The United States Air Force can train you for this demanding job or one of more than 400 other challenging skills. The training and education is provided along with a generous starting wage and a place to live. You can put it all together with the U.S. Air Force. See your Air Force Recruiter today for all the facts.

A special thanks to a special yearbook  
advisor.  
And especially to those beautiful human  
qualities of caring and  
perserverance despite what appear to  
be insurmountable obstacles.
